MICCO INTERNATIONAL LIMITED

MICCO MACAU LIMITED

Is an experienced custom furniture fabrication, interior design and construction company in Hong Kong. With a group of proficient teams, MICCO manages every stage of your project professionally.

Our clients comprise of the world's most renowned brands, restaurant, land Developer, among many others. We provide turnkey services ranging from the initial feasibility studies, cost estimation, design to management, construction and maintenance.

Our mission is to provide high quality of fitting-out works and furniture. In conjunction with our factories in Guangdong province, we are able to deliver internal spaces and furniture to an international standard on time, more importantly within budget.

We collaborate with clients and vendors to realize the project vision and believe our success hinges upon their success.
